EDUCATION

- RMK College Of Engineering and Technology(CGPA-8.25) May 2027
- Jawahar Higher Secondary School ,CBSE (12th Grade - 88.8%) May 2022

PROFESSIONAL EXPERIENCE

Web Developer Intern at NLC India Limited(Offline) , Neyveli, Tamil Nadu June 2025 - July 2025

- Built a Student Feedback Application using SQL, PHP,HTML, CSS (Neumorphic Design), and JavaScript, ensuring a smooth multi-role (student, faculty, admin) experience.
- Implemented secure login, role-based dashboards, real-time analytics, and visual feedback reports for effective academic performance tracking. Focused on enhancing usability, automation, and data-driven insights.

PROJECTS

Internship on Web Development (Remote) July 2024 - Aug 2024

- Developed a responsive landing page during a Web Development internship using HTML, CSS, JavaScript, and focusing on modern UI design and user experience best practices
- Focused on dynamic behavior, seamless interactivity, and modern UI/UX principles to create an engaging, user-centric interface.

Smart Travel Guide – Location-Based Tourism Assistant (Smart India Hackathon) Aug 2023

- Designed wireframes for a location-based tourism mobile app as a Smart India Hackathon concept.
- Created user flows for login, GPS-based place discovery, and personalized recommendations.
- Proposed features including nearby hotels/restaurants display, “To Visit” list, and user ratings & feedback system.

SKILLS

- Programming & Frameworks: Java , JavaScript , Python(basics)
- Databases: SQL
- Web & Design: HTML, CSS, UI/UX Design ,VS Code
- Tools & Libraries: Figma, Scikit-learn (basics), GitHub

ACHIEVEMENTS

- Presented a paper on “UI Design for ML-Based Pyrolysis Plant Cost Estimation” at **AIRSS 2023 - IIT Madras**
- Presented a paper on “Authenticated Biometric Wristband for Highly Secured Systems” at a college-level symposium.

CERTIFICATIONS

- Fundamentals of Java Programming - Coursera
- Frontend for Java Full Stack Development - Coursera
- Chatbot building - Coursera
- Networking Basics - Cisco
- HTML and DBMS - Infosys Springboard
- Cloud Computing and Distributed Systems - NPTEL
